EXCLUSIVE to Us. This house is just a few minutes walk from bars and shops in Fuensanta de Martos in the Jaen province of Andalusia, Spain. Enter the front door off the road into the living room with fireplace and wooden stairs, ahead is a small dining area with a fold up table and the new, small but perfectly formed kitchen. There is also a utility, office or store room with cupboard and a shower room. Up the stairs and you go directly into the double bedroom with a bath en suite. This house has no outside space, it is a great base for holidays and exploring. Just next door (and on top of the kitchen and backroom) is TH4629 so it is possible to turn the two into one with a roof terrace for a lovely big house. TH4622 is also just across the lane.
